

# DOCUMENTS FEATURE

A centralized online database that contains exclusive documents cited in E&E News stories and frequently referenced government records. This powerful tool eliminates exhaustive searches through multiple sites to locate primary source information.

**E&E NEWS**  
By POLITICO

## SIMPLIFY RESEARCH. STREAMLINE WORKFLOW.

### DIRECT ACCESS

Use the Documents tool to find original source materials and links to relevant E&E News stories for insights into the impact on policy and business.

### FASTER RESEARCH

Save valuable time on querying government sites to locate official records and reporting on them. Quickly discover new information and additional context with a few clicks.

### IN-DEPTH INFORMATION

Access public records and exclusive documents including analysis, bills, court filings and orders, press releases, statements of administration policy, CBO reports, Federal Register documents, and more.
